

ALL IN

April 2026

We believe God is leading us into new things as a church family. He's inviting us to dream big and take a new step of faith in our adventure of following Jesus. Just like the early church, we want to be 'all in' – and that means all of us joining in with five practices: **belong, serve, give, pray** and **reach out**.

4. Pray

Prayer is hard to quantify – but we’re so encouraged by the hunger in our church to pray. In particular, it has been great to gather on the first Friday of every month, as well as at our early morning online prayer on Wednesdays. Let’s keep pressing in to the Father, trusting in his character, seeking his presence and praying for breakthrough.

5. Reach out

As a church, we’re seeing lives changed by Jesus as we reach out. Again, hard to put numbers on this – but let’s each keep going with BLESS (Begin with prayer, Listen, Eat together, Serve, Share) to love the people in our lives. Jesus still uses ordinary people like us to see his kingdom come. What a privilege. What an opportunity.

Note: Unless otherwise stated, all percentage changes are calculated relative to January 2026 figures.
