

ALL IN

Sep 25–Aug 26

We believe God is leading us into new things as a church family. He's inviting us to dream big and take a new step of faith in our adventure of following Jesus. Just like the early church, we want to be 'all in' – and that means all of us joining in with five practices: **belong, serve, give, pray** and **reach out**.

4. Pray

Prayer is of course hard to quantify – but all the more, we want to be a church devoted to prayer. That's the heart behind our prayer and worship evenings on the first Friday night of every month, following a day of fasting as a church family. You can also pray with others by joining our Engine Room online prayer meeting every Wednesday at 7am.

5. Reach out

Again, hard to put numbers on how we're doing at reaching out – but a simple way for us all to follow Jesus is by loving people each day using the five practices of 'BLESS' (Begin with prayer, Listen, Eat together, Serve, Share). To reach out with others, why not join our BLESS Adventures small group, heading out to chat and pray with people in our town.
