

INTERNSHIP

A year to invest in you.

WE LOVE TO INVEST IN PEOPLE AND SEE GOD AT WORK IN THEM, AND WE HAVE THE PRIVILEGE OF DOING THIS THROUGH OUR NEW INTERNSHIP PROGRAMME AT KING'S. THIS IS A YEAR FOR US TO INVEST IN YOU, AND FOR YOU TO INVEST IN YOU.

We want this internship to be an opportunity to focus on your relationship with God, to learn more about God and the Bible, and to discover who he has made you to be. Our hope is that during the year, you go deeper with God, you develop existing and identify new gifts and skills, and you work to advance the Kingdom of God through the local church. We are probably even more excited about it than you are!

ADVANCING THE KINGDOM

The internship will be made up of working in two ministry areas as well having other opportunities to be involved in a variety of activities and events happening at King's. You will work closely alongside the leaders of the two chosen ministry areas. They will shape your time in those areas, giving you a taste of all that goes into the ministry and getting you fully involved in the work.

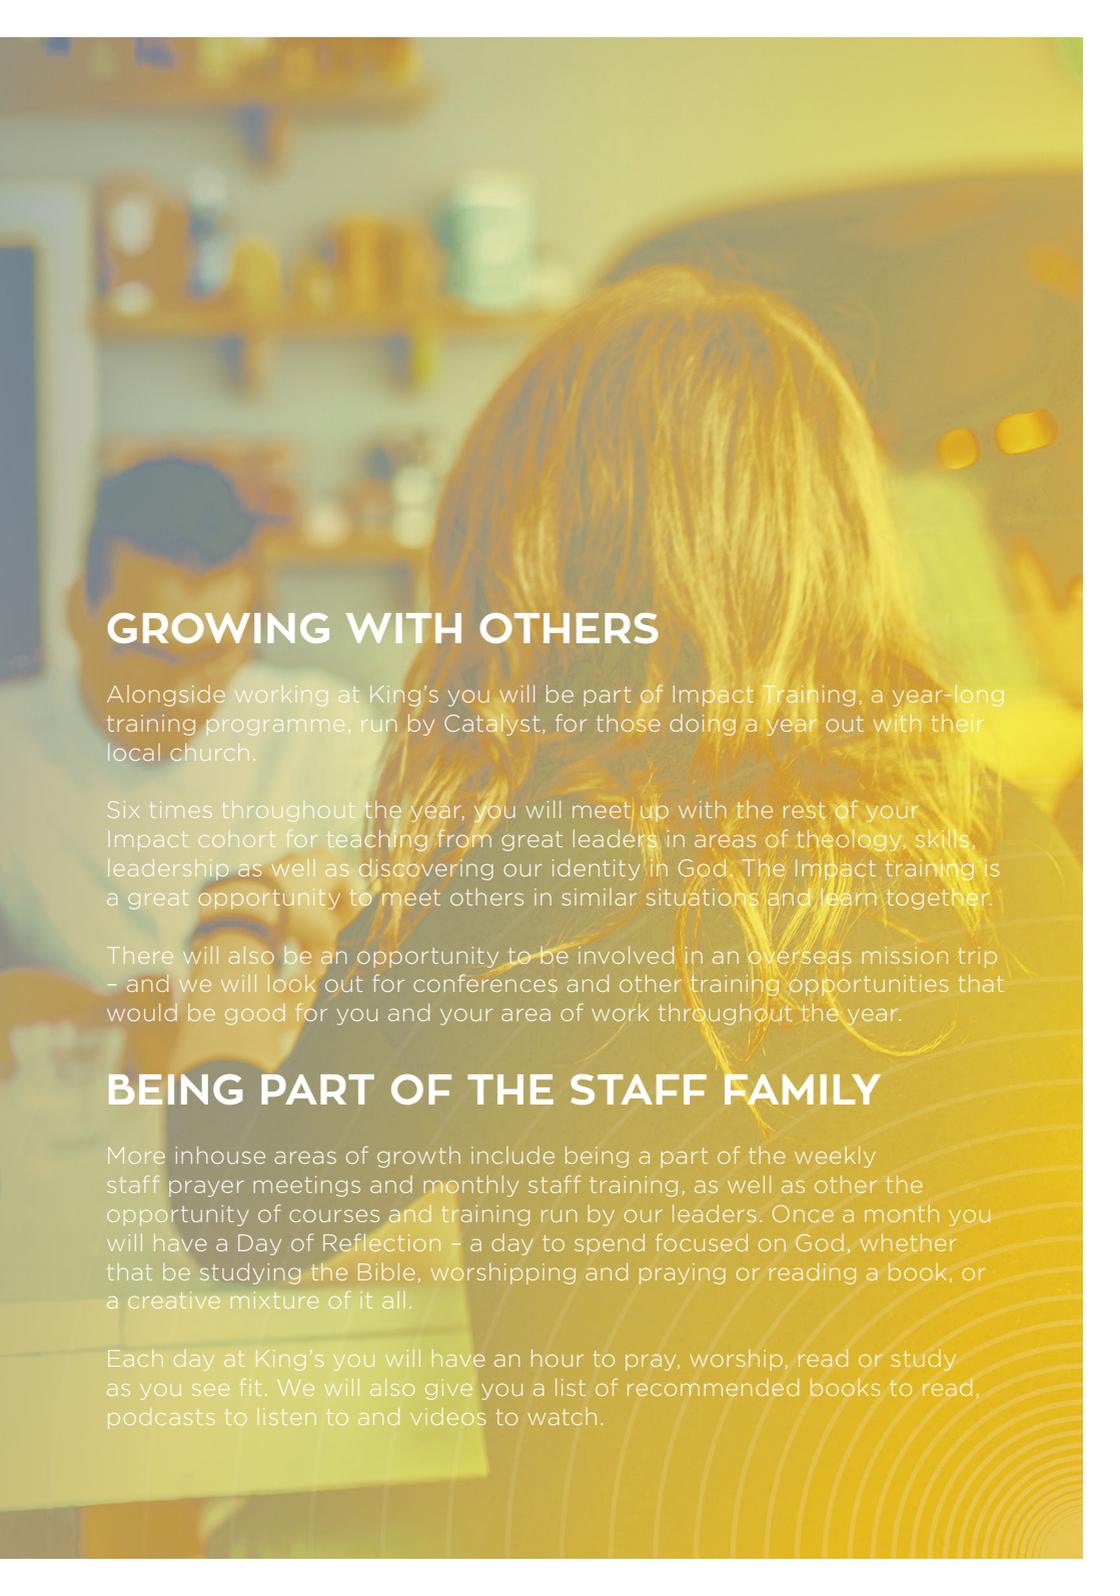

To help develop and stretch you, we will try our best to put you in one ministry area that you are passionate about and one ministry area that will be more of a challenge.

The internship can be full-time (5 days a week) or part-time (3-4 days a week), giving you the option to hold another part-time position as a source of income. You will need to be available to work Tuesdays and Sundays, as well as being able to attend six week-long training blocks in Leeds.

EXPLORING YOUR GIFTS

Our hope is that you identify and develop new and existing gifts and skills throughout the year and so we will shape the year to give you opportunities to do just that. This will mainly be through different tasks and projects in your main ministry areas but there will be a variety of chances to try out new things and learn new skills.

We will, at times, push you out of your comfort zone but always in a safe and encouraging environment.

GROWING WITH OTHERS

Alongside working at King's you will be part of Impact Training, a year-long training programme, run by Catalyst, for those doing a year out with their local church.

Six times throughout the year, you will meet up with the rest of your Impact cohort for teaching from great leaders in areas of theology, skills, leadership as well as discovering our identity in God. The Impact training is a great opportunity to meet others in similar situations and learn together.

There will also be an opportunity to be involved in an overseas mission trip – and we will look out for conferences and other training opportunities that would be good for you and your area of work throughout the year.

BEING PART OF THE STAFF FAMILY

More inhouse areas of growth include being a part of the weekly staff prayer meetings and monthly staff training, as well as other the opportunity of courses and training run by our leaders. Once a month you will have a Day of Reflection – a day to spend focused on God, whether that be studying the Bible, worshipping and praying or reading a book, or a creative mixture of it all.

Each day at King's you will have an hour to pray, worship, read or study as you see fit. We will also give you a list of recommended books to read, podcasts to listen to and videos to watch.

COSTS & PRACTICALITIES

The Internship is unpaid but also free! We will cover all costs associated with the Impact training, including travel expenses to and from the training, as well as any other training that you go on as part of the internship. We will also contribute to the cost of your overseas mission trip.

All living and personal costs during the year are to be covered by you.

Unfortunately, we are unable to offer accommodation at the moment.

DATES

The year will run from **1 September 2020** to **11 August 2021**.

APPLICATION PROCESS

Applications for 2020-21 are now open.

Please, either, fill in the online application form or download the PDF version, fill it in and email it to **nicola@kchw.co.uk**
